

Cancellation terms:

The date when the charter company receives a written notice of cancellation is used to calculate the cancellation costs as follows:

- for cancellations made up to 28 days prior to rental start, the charter company charges 20% of the total rental cost,
- for cancellations within 28 days prior to rental start, the charter company will charge 100% of the total rental cost.

Covid-19 special regulation:**If 28 days before departure for the booked charter the following government restrictions are valid:**

- the border of the host country or the client's country is officially closed;
- a quarantine of 5 days or more is unconditionally imposed upon travellers returning from Croatia or the Split-Dalmatia county;
- boating is officially prohibited in the region of the boat charter base on the starting date of the cruise;

the charterer can cancel free of charge and receives a voucher for the already paid amount.

The obligation of a Covid-19 test (PCR) before or after the trip, disruptions related to transportation difficulties, non obligatory Government recommendations, Company travel restrictions, or similar, are not reasons eligible to for use of Covid-19 special regulation.

Cancellation insurance:

The conclusion of a charter cancellation insurance is strongly recommended.
