## How to reach us:

**By car:** If travelling by car the best choice is the highway A1. Exit the highway at Dugopolje, ride in direction of Solin / Trogir. After leaving Solin drive down the fast road in the direction of Trogir, after about 1.5 km turn right towards Kastel Gomilica. Details of the itinerary are available on [maps.google.com](https://maps.google.com). All the details about the condition of the roads [www.hak.hr](http://www.hak.hr) and Croatian highways [www.hac.hr](http://www.hac.hr)

**By plane:** Near Marina Kastela (8 km) there is Split Airport. If on your charter holiday you arrive by plane you will need the transfer. For safe transportation to our base please send inquiry and we will arrange the transfer for you. But if you want to take care of transfer yourself you have two options, to find a taxi or use the bus line 37 which runs between Trogir - Split every 20 minutes. The bus stop is just outside the airport, drive to the bus station place - Kastel Gomilica. For more information about the airport visit [www.split-airport.hr](http://www.split-airport.hr)

**By train:** For those who want to arrive by train the most important information is that there is a possibility of unloading at the newly opened station in Kastel Gomilica. For more information about timetables of trains and stops to look at [www.hznet.hr](http://www.hznet.hr)

**By boat:** If you want to arrive to your holiday by boat, Split has international shipping lines from Ancona and Bari harbor. The large number of shipping companies carries passengers on these lines. For details on sailing times and prices check the website at [www.jadrolinija.hr](http://www.jadrolinija.hr). International Airport for maritime transport is located in the center of Split.

## TIPS FOR YOUR CRUISE

**+385 91 4543 644** CELL PHONE ON DUTY / TEHNICAL  
**195** SEA RESCUE

During breakdown keep your cell phone on that we can reach you.

In extremely urgent situations while you sailing and no net coverage for the cell phone, call us trough VHF ch 16. ask operator to connect you with above numbers or number 195 - Maritime search and rescue

### ACCIDENT

In case of any kind of accident you need to file accident report to nearest harbor office or charge damage from third part. Otherwise all damages will be charge from your deposit no regards who is responsible for accident. Inform the base.

### WEATHER

Up to dated weather info you will find at any marina or harbor office. There is a broadcast on the vhf radio station on Croatian and English. It is transmitted three times a day, utc time (utc + 2 hours = local time).

Announcement of broadcast is on ch 16.

Rijeka area	CH 04, 20, 24	UTC TIME	05,35; 14,35; 19,35
Split area	CH 07, 21, 23, 81	UTC TIME	05,45; 14,35; 19,45
Dubrovnik area	CH 04, 07	UTC TIME	08,35; 12,35; 20,35

### WEATHER CONDITIONS

You are obliged to follow weather forecast and behave according to weather conditions. Among other you should not leave port or sail if the wind is over 30 knots.

Pay special attention on Bura. Bura is extremely dangerous wind which blows in flurry. Bura is considered unsuitable weather condition. You are obligatory to pay all damages made on vessel while sailing or anchoring under unsuitable weather conditions.

### ELECTRICITY POWER

Do not use electricity, particularly fridge, if you don't have 220 v or engine running.

### TOILET

Do not use to much paper in toilet. Block toilet=100 €.

## **ENGINE**

For your safety we advise you to check engine oil and water every day of charter.

## **DINGHY AND OUTBOARDER:**

Dinghy and out boarder we would like to draw your attention to certain probability of dinghy and out boarder. You should keep an eye on it when leaving it on anchorage, in harbor or marina. Make sure to put dingy on vessel every night. Be careful especially in Hvar town. If you realize that dinghy and out boarder are missing, inform nearest police station immediately and require written certification. Inform the base.

## **FUEL**

The fuel tank is full and you should bring it back full at the end of your cruise, otherwise we will charge you missing fuel for 3 € / lit. The best places to fill up the fuel on your way back are pump stations: Marina Kaštela – service zone, Milna at Brac or Rogac at Solta.

## **UNDERWATER CHECK**

Marina Kastela has service for underwater check. After each charter divers from marina Kastela check the vessel and write divers summary. Pictures are taken only if there are any damages. If you don't trust divers from marina Kastela service please check the underwater part of vessel yourself after leaving marina, and if you find any damages inform us immediately. Otherwise you are in order to accept and pay all underwater damages established from marina Kastela divers.

## **ROAD BRIDGE**

Do not sail under the Ugljan-Pasman road bridge with low overhead clearance.
